Prayers were said by the Bishop.

The Secretary called the rolls of the Clergy; the Wardens; the elected Lay Delegates.

A quorum being present, the Bishop declared the Fifty-second Annual Convocation of the Missionary District of Arizona duly organized.

The Rev. Canon Charles A. Dowdell was unanimously elected Secretary. He appointed the Rev. Walter Whichard Assistant-Secretary.

The Bishop read the following communication from the Right Reverend Walter Mitchell, D.D., retired Bishop of the Missionary District of Arizona.

Rancho Santa Fe, California. October 8, 1945.

To Bishop Kinsolving & Convocation.

Dear Brethren:

"Grace be unto you and Peace, from God our Father, and the Lord, Jesus Christ".

That was my salutation to Convocation for nineteen years, every time it met. I now beg to send the same greeting to our new Bishop and to Convocation for the twentieth time, on the occasion of your first meeting together. I believe and pray that it is going to be only the first of an important advance every year in every aspect of the work.

Mrs. Mitchell and I appreciated very much indeed, the invitation to be present at the auspicious occasion of the installation of our new Bishop and we both desired very much to attend. But the same reason which made it wise for me to resign and for us to move from the District, makes it wise for us to do the harder thing and remain away.

God bless you, Bishop Kinsolving and the members of Convocation, every one.

Affectionately,

/s/ Walter Mitchell.

This was referred to the Committee on Resolutions which later presented the following with instructions to the Secretary to forward a copy of the same to Bishop Mitchell:

"The Rt. Rev. Walter Mitchell, D.D.,

REPORT OF THE SECRETARY
of the
51 ST ANNUAL CONVOCATION

The Secretary of the 51st Annual Convocation begs leave to report that he has endeavored to fulfill the Canonical requirements pertaining to his office during the year 1944-1945.

The Journal of the 1944 Convocation was prepared and distributed.

Judging by the experiences of the last several Convocations and the need for having statistics compiled and available as soon as possible, it is suggested that hereafter Convocation meet earlier in the year.

Respectfully submitted,

(s) Hector W. Thompson,
Secretary

REPORT OF THE CHANCELLOR

I herewith submit my report as Chancellor to you and Convocation.

During the past year Bishop Walter Mitchell retired and Bishop Kinsolving has taken over.

Bishop Walter Mitchell, in preparing for his retirement, and Bishop Kinsolving, in taking over his duties as Bishop, have been advised on many matters and I have attended many conferences with each of them and with the Directors of the Church Corporation, and other officers of the Church.

Complete lists of Church properties in Arizona are available and I think that the business affairs of the Church are in excellent condition.

During the past year the Church Corporation has received two trusts; one known as The Charles F. Bassett Fund from Carolyn H. Bassett, deceased, in the approximate amount of $75,000, the income from which under the trust is to be paid to the Bishop of Arizona, and his successors, for the purpose of aiding and assisting Episcopal Clergymen afflicted with tuberculosis. Considerable correspondence and work has been necessary in connection with the receipt of this trust.

The other trust is the Margaret De Etta Wyland Smith and was left by the Reverend Charles L. W. Reese, deceased. The interest from the moneys in the trust is directed to be paid yearly upon request of the Bishop of Arizona to the Board of Directors

of The Protestant Episcopal Church Corporation of Arizona, to be used exclusively for church building purposes in the District of Arizona at the discretion of the Bishop thereof, on permanent buildings or improvements to already built permanent buildings in Arizona. This trust is in the approximate amount of $10,000.

The funds in both trusts are invested in securities.

The affairs of the Church insofar as property and trust funds are concerned are in excellent condition.

Respectfully,

/s/ Chas. A. Carson
Chancellor.

REPORT OF THE DEPARTMENT ON GENERAL MISSIONS

There has been no formal meeting of this Department as it did not seem necessary to call all from the various parts of the state since no great issues were involved. The members have been contacted by mail, and the majority have agreed to these views:

1. The whole status of this Dept. should be considered in the light of whether or not it should be continued as such or whether it should be incorporated into the Department of Promotion or the Department of Religious Education as the

purpose of the Department is to further interest in the general Mission of the Church and to kindle among young and old a desire for its support.

2. As a second suggestion, it appears futile for a Department of this sort to function adequately when all of its members live in scattered parts of the state. The importance of the Department, though dealing with a very worthy cause, is not such that clergy and laymen could justifiably be called for a meeting except in some particular emergency.

3. We appreciate the splendid work of the women in their support of Missions, and the support of children through the Church Schools.

4. We urge all groups, including Rectors and Vestries, to read and to put into practice the plans and literature of the Forward in Service Department of the National Church.

5. We are awaiting the District plans for the Reconstruction and Advance Fund Drive, and we hope that our share in this undertaking will be borne cheerfully and successfully.

Respectfully submitted,
(s) David Churchman Trimble,
Chairman

REPORT OF THE DEPARTMENT ON DISTRICT MISSIONS

The Department makes two recommendations:

1. That the Bishop appoint a Committee on Indian Work similar to the Committee on Spanish Work to work and consult with him on the problems of the Indian Work.

2. That Convocation pass a resolution that the Department on District Missions be dissolved and its work transferred to the Department on General Missions; and that this resolution be referred to the Committee on Canons to be brought back to the floor at the next meeting of Convocation for such action as may be deemed advisable.

Respectfully submitted,
(s) Hector W. Thompson,
Chairman

REPORT FROM THE DEPARTMENT
of
CHRISTIAN EDUCATION 1945

The Department of Christian Education begs to submit the following report:

1. Acting with other Departments the Department of Christian Education planned the two-sectioned Summer School at Prescott. It is pleased to report a most successful Family Conference, but recognizing an alarming lack of support by the District of the Young People's Conference (Camp Jenkins), we recommend a thorough investigation of the same with consideration of holding Camp Jenkins later on in the Season after secular Summer Schools are over and Summer produce work is at an end. We still look forward to the time when conditions warrant a further division of the Summer Conferences to provide for children now meeting as Camps Cady and Mitchell with the Family Conference.

2. The Department recommends for assistance in the selection of Church School lessons a National Council Report on the same.

3. The Department recommends continued support of the Advent Offering for Indian work at Fort Defiance and desires a report of funds so offered.

4. The Department asks the support of each Church School in providing Christmas presents for Indian and Spanish-speaking children under a National Council request.

5. The Department recommends that the Lenten Box and certificate project be carried out this next year with presentation of the certificates at Summer Conference.

6. The Department recommends further support of Birthday thank offerings and, as in the case of other such offerings, asks that the spirit of Thanksgiving for God's Mercies be stressed in each giver.

7. The Department, recognizing the value of coordinated Christian education in our Church Schools, recommends a survey on conditions in each School that successes and failures may be evaluated and acted upon.

8. The Department is pleased to report that the Church School by Mail is now functioning well under the sponsership of the District Woman's Auxiliary with 20 pupils enrolled to date.

9. Owing to the resignation of our chairman and a delay in the appointment of one to fill his place the Department did not expend the amount allotted to it in this year's budget. For the coming year, however, the Department again asks $100. to carry on its work of Christian Education.

Respectfully submitted,

(s) Bancroft P. Smith,
Acting Chairman

REPORT FROM THE DEPARTMENT of YOUTH AND COLLEGE WORK

This Department would like to present the following report:

As per Youth Work, this Department with the wholehearted co-operation of the Department of Christian Education, made all the preparations necessary to carry on the newly established tradition of having an independent Summer Conference for the young people of the district, even though the District was at that time in the crucial point of changing hands at the rudder. This change may be blamed for the lack of interest shown this year in the Young People's Conference from the Parishes and Missions of the District. This Department thanks most sincerely the Department of Christian Education, and each and everyone whose co-operation made our Youth Camp possible. Special thanks are due to the untiring efforts of our Dean, Miss Margaret Williams, and other members of the Summer Conference Committee.

Previous to our summer conference for Young People, the Annual Convention for the Youth of the Missionary District was held the second week of March at St. Johns Church, Globe, where a new rector and a newly organized branch of the Y.P.F. proved themselves worthy of much praise in their efforts to carry on the work among young churchmen of the District.

Although St. John's Parish, Globe, was the only one to organize a new branch of the Y.P.F. during the past year, nevertheless the officers and advisors of our young people are still striving toward the goal of having a youth organization in each Parish and Mission in the District.

With pride we point to the fact that our Young People did not avail themselves of the $50.00 granted them by the 51st Convocation of the District. Their action is most commendable as proof of the District efforts toward self sufficiency and self support. At the present date we have seen the publica-

tion of a monthly organ of the District Y.P.F. This Department regrets not to be able to give the name of the Publication, as it is without an official name at present.

As per College work, we may consider the report of Cabot Chapel to Convocation as part of the report of this Department on work at the University of Arizona. At Tempe's State College, some kind of an arrangement has been made to secure a religious coordinator for the different denominations represented at said State College. We point with the greatest disappointment to our recommendation # 6 of last year's report, that was completely disregarded in the appointment of such coordinator. At the other State College, located in Flagstaff, the local Vicar's personal work was the only work of which this Department has any knowledge.

This Department met once during the year, a month previous to Convocation, and decided to present the following resolution and recommendations to the 52nd Convocation of the District.

Recommendations:

(1) That the present arrangement of having a separate camp for the Young people of the District be continued in the future and also that, whenever possible, Camps Mitchell and Cady be held at a different time as an independent camp of their own, with their own Dean and corresponding staff.

(2) That the appropriation in the annual budget for work at the State College at Flagstaff be continued; and that of Cabot Chapel continued. As for Tempe State College, we leave it to the discretion of the Ordinary. In the past, arrangements have been made without considering this Department.

(3) This Department would like to repeat here Recommendation # 4 of last year's report, which recommendation was also overlooked. The recommendation read as follows: "That our Missionary Bishop, as well as any other official College Worker in the District make official visitations at least twice a year, to all three institutions (University of Arizona, State Colleges at Tempe and Flagstaff) regardless of travel difficulties and others that may come along. These visits will mean so much in help, advise, inspiration and otherwise to students as well as to the Priests in College towns, that this Department considers this recommendation as one of great value." Now this Department would like to add that, due to the fact that we have a new Missionary Bishop, this recommendation becomes more important, as profitable to his information and knowledge for his decisions

on College work of the future.

Respectfully submitted,

(s) Joseph Gregori,
Chairman.

Addenda

Resolution:

Whereas, the trend of the church in general is to separate the Departments of Youth and College work, thus making two departments out of one; and

Whereas, the importance of the work so demands, in order that these two important branches of the work of the Church can duly receive the attention they deserve, this Department would like to present the following resolution to the Convocation of the Missionary District of Arizona:

LET IT BE RESOLVED that after the proper amendment is made to Canon XV, Section 6, of the Missionary District of Arizona, for which amendment and according to Canon XVI, Section 3, hereby a copy of this resolution is given in writing to the Committee on Canons to be put into effect at the next Convocation of the Missionary District of Arizona, this Department of Youth and College work be divided into two departments, one to be known as the Department of Youth, and the other to be known as the Department for College work. And that a recommendation be made to the Ordinary, to appoint as chairman of the Department for College work one of the clergymen in a college town; and as chairman of Youth a clergyman in whose Parish, or Mission, Youth is well organized.

Respectfully submitted,

(s) Joseph Gregori,
Chairman.

REPORT OF THE SUMMER CONFERENCES COMMITTEE

This committee, appointed at the last Convocation by the Bishop and composed of members from the Departments of Christian Education and of Youth and College Work, with the Rev. J. Gregori as Chairman, had it's first meeting the second day of February in the City of Tucson. Other meetings followed in preparation for the two Summer Conferences: The Young People's Conference and the Family Group Conference, that took place during the months of June and July.

The Committee's heartiest gratitude is expressed to Miss Margaret Williams, Dean of the Young People's Conference, and to the Rev. D. C. Trimble, Dean of the Family Group Conference, for their efforts and unsurpassed ability in conducting the Conferences.

The Committee would like to offer the following recommendations to the Committee to be appointed for the 1946 Conferences:

1. Arizona can supply the teaching staff for the Summer Conferences, even though it may deprive us of big sounding names from out-of-the-State.
2. Adults attending the Conference should be required to take, at least one course and make credits in the same cour
3. The Women Auxiliary Report that their afternoon classes wer a success and should be continued in the future.
4. It is recommended that the Y.P.'s Conference be held during the period of time between Summer courses at the High Schools and the Fall semester at the same High Schools. Probably the last week of August and first week of September There are several good reasons for this recommendation.
5. A full time Business Manager, during the camps should be secured, who would attend to all business details with the kitchen crew contracted before hand, and with our recommendation that no dining room help be hired.
6. Camp Mitchell and Camp Cady, whenever feasible, should be made an independent Conference of its own, with limited expense account for Campers and restrictions placed on food coming to camp from the outside.
7. The Nursery section of the Adult Conference, should be given adequate facilities in building and equipment. And a registered Nurse should be part of the Staff at both Conferences.
8. There should be, perhaps, more elective subjects offered for instruction and riding and swiming should not appear in the advertizing of Camp.
9. The new Summer Conference Committee for 1946 should start preparations for Camp before January first.. Also the heads of all different sections of the two Camps should have a plan of their activities submitted to the Committee long before Camp starts.

Hoping to have fullfilled the task to which we were appointed at the last Convocation, and offering our apologies for those details that could have been performed with better efficiency,

Respectfully yours,

(s) Joseph Gregori, Chairman.

REPORT OF THE DEPARTMENT OF CHRISTIAN SOCIAL RELATIONS

1. The Department recommends as last year the statement of Principles set down by the Joint Commission on Reconstruction of General Convention of 1943, as published in the Journal on pages 464-469. These have been reprinted in the pamphlet, "A Better World for All People."

2. We recommend the courses for Schools of Christian Social Action sent out by the Forward in Service of the National Council.

3. We feel the need of teaching our communicants the Christian principles on which Christian social relations should be founded. An adult class on racial relations was held at the Prescott Family Conference. We recommend a similar course for the Youth Conference.

4. A number of parishes and missions have provided recreational and other programs for service men and war workers. Teenage Canteens have been sponsored, notably in Yuma. We congratulate the Mexican Missions on the reopening of playgrounds. The Department and the Brotherhood of St. Andrew have aided in reopening recreational centers in Tucson.

5. The work of the Department has been a factor in paving the way for the law requiring physical examination before marriage. We urge parishes to continue action for a law requiring that marriage licenses must be used not under three days nor over thirty days after being issued.

6. We request the Arizona Tax Commission to revoke licenses for holding dog races.

7. Because our Church represents so extensively the employer class, we should strive to contact the labor group. We recommend meetings of the type held in 1941 and 1942 between employers, employees, and the Church.

8. We recommend that parishes study housing conditions in their community especially among minority and racial groups, in an effort to stimulate slum clearance programs.

9. We recommend the work of the Phoenix Urban League among Negroes and the efforts to establish an Urban League in Tucson.

10. The Department feels that its work has been confined too exclusively to Phoenix and Tucson. In order to broaden the program it has been hoped to organize a Rural Pastors' Conference at the University of Arizona.

11. We recommend that efforts be continued to incorporate returned service men into parishes along lines advocated last year.

12. We recommend increased study of international relations in groups and classes that scientific advancements may be guided toward Christian ends and that democratic world government may be hastened.

13. We recommend continuation of the work of committees named by General Convention to continue or initiate negotiations with other Christian bodies, such as Methodists and Presbyterians, looking toward eventual union.

14. We recommend that on the Sunday nearest St. Luke's Day special notice be given of the work at the St. Luke's Homes in Tucson and Phoenix, and that where possible special offerings be taken and support of these institutions urged.

15. We urge that the 14,000 Navajo children without school facilities be given educational opportunities, and that the compulsory school law be made to apply to the Indians in Arizona.

16. We urge the Legislature to pass a law giving the vote to the Indians of Arizona.

Respectfully submitted,

(s) Walter H. Dugan,
Chairman

REPORT OF THE DEPARTMENT OF FINANCE
1945

Meetings have been held as the business of the District required.

The quota for Arizona has been increased from $7,100.00 for 1944 to $7,400.00 for 1945 and revised quotas for the respective Parishes and Missions have been computed by formulae. It is recommended that this same procedure be followed in the computation of the assessment and the assessments for 1946 as submitted have been so computed.

It is recommended that $540.00 be included in the 1946 budget for the quarterly publication of the Record and that $500.00 be included towards the Bishop's salary.

It is also recommended that the 1946 budget carry the amount of $2,000.00 for the office of Executive Secretary to the Bishop, Treasurer's office expense and related functions in lieu of the items in the 1945 budget of $800.00 for Treasurer's office expense and $175.00 for General Office Expense.

FINANCE COMMITTEE.

SUPPLEMENTAL REPORT OF THE DEPARTMENT OF FINANCE

At a meeting with Bishop A. B. Kinsolving 2nd, on September 28, 1945 the Finance Committee pursuant to a motion adopted by the last convocation "That the Revolving Fund Account be referred to the Committee on Finance for their recommendation to the Bishop" discussed with him this particular subject and thereafter adopted the following motion:

That the Finance Committee's recommendation be deferred until such time as the Bishop may make further investigations and report to the Finance Committee his conclusions in this matter.

enthusiastic applause.

Mrs. Newcomer, Vice-President, took the Chair while Mrs. Huntington, the chairman of Nominations submitted the following nominations:

President	Mrs. Sam H. Morris, Globe
Corresponding Sec.	Mrs. Arthur Enders, Globe
U.T.O. Custodian	Mrs. J.W. Schultheis, Flagstaff
Educational Secy.	Mrs. John H. O'Hair, Phoenix
Youth Representatives	Mrs. Arden Staples, Phoenix

Miss Averill moved and Mrs. B.F. Irving seconded that the secretary be empowered to cast the vote for the nominees; motion carried.

The President asked that the proposed budget as previously outlined be adopted. The motion was made, seconded and carried. The Budget was for the sum of $365.00.

Mrs. Lauderdale was asked to explain the listed projects. She urged larger gifts to the projects and added that it was disgraceful that no money had been given to the Migrant Work considering the thousands of dollars the Home Mission Council had poured into this District. She stressed the use of the word "among" be used in regard to the work of the Baxter Memorial. Work among the blind and not for the blind - give of yourself as well as of your money. All gifts go through the District Treasurer.

It was voted to make the Mothers Memorial Fund a Provincial instead of a special project. By vote it was ordered to change the word Fort Defiance to Good Shepherd Mission in regard to the Indian Orphans in the list of District Projects.

Bishop Kinsolving was then presented. He opened his remarks by telling that Convocation had voted a forty percent increase in its budget. He outlined the various fields of missionary service where this would be spent. He related some of the good times he had enjoyed in becomming acquainted with the clergy and layity. He stressed the colorful background of missionary work here.

The Reverend Jos. Gregori of the Spanish Missions was the next speaker and he told of his problems. He pointed out the fact that the work was spread over too wide a territory, and suggested that efforts be consolidated into fewer missions; this way the priests could work more effectively among the Spanish speaking people. New work is best started with a church school and that workers must be able to speak the language of the people.

At the request of the Convocation, Mr. Ferguson returned to repeat to the women the challenge he had just given in the Cathedral for the Reconstruction and Advance Program. He explained the great and serious needs at this time. He said that faith with less wealth were asking greater sums from their people and getting

THE REPORT OF THE COMMITTEE ON

FORWARD IN SERVICE

The committee on Forward In Service begs to submit the following report:

We have had no meetings. To our knowleige, there has been nothing that has transpired in the District for which we can assume any credit. We would like to congratulate the District, however, on its continued use of the Forward Movement literature. The reports from headquarters indicate that the District is using even more of these materials than in previous years.

In our report to Convocation in 1944, your committee presented the suggestion that it might be well to remodel the structure by which our district operates. The suggestion was made that a committee be appointed to investigate the possibility of instituting a deanery system. A committee of twelve was duly appointed and considerable correspondence was carried on within the committee in the endeavor to discover certain basic principals upon which a deanery system could be constructed. It was most interesting. A great many ideas were collected. They are on file. The fact of Bishop Mitchell's resignation and the impossibility of assembling the committee for a general meeting finally lead to the conclusion that it would be wise to suspend further activity until such time as the wishes of Bishop Kinsolving could be ascertained. The committee was of unanimous agreement that the proposed deaneries possessed great potential usefulness. It was also recognized that such a complete plan involves a very careful and detailed analysis of the policy of the District.

We would, therefore, like to recommend that the committee be discharged and that all of its findings be turned over to the Bishop for his study, and that the Bishop be empowered to appoint a committee to continue this investigation, should he so desire.

Respectfully submitted,

(s) George Ferguson
Chairman

REPORT OF THE COMMITTEE ON CLERGY PLACEMENT

Your Committee begs to report that no formal meeting of the Committee has been held during the past year. The Committee has not been inactive. With the permission of Bishop Kinsolving a census has been taken of all the active Bishops of the Church to determine their views upon the important subject of the placement of the clergy.

This request for information has met with to date almost unanimous reply. When the answers have been fully tabulated and after all the replies have been received, a formal report will be made, and we trust, published. This should have a healthy affect upon the general matter of placement in the Church.

REPORT OF THE CHURCH SCHOOL BY MAIL

Ground Work done during the summer.

Corresponded with eight Directors who are doing the work successfully in other areas in the Church. Exchanged ideas and received valuable help and advice.

Letters to Clergy.

Wrote letters to ten clergy in rural parts of Arizona asking for lists of prospective boys and girls to whom we could write inviting them to become members and enclosing enrollment cards. Six clergymen responded giving encouragement and sending names.

About the Work-

To date there are twenty-four children enrolled in the Church School by Mail and are receiving their lessons every week. Twenty-three did not respond to the first letter sent to them but now follow-up letters have gone out to these children with stamped, self-addressed envelopes enclosed so we shall hear. More names will come too, as the interest spreads. There is no cost to the child except as he might want to make special offerings during the year.

The lessons being used are those printed by the Mountain Mission By Mail in New Hampshire. They are the result of sixteen years established work there, there is much to be gained from using their lessons. They are churchly and are built around the rural child. The number of children in the New Hampshire Mountain Mission By Mail has now reached more then five-hundred. We can do this and MORE.

The children we have enrolled are from Inspiration, Miami, Superior, Bumble Bee. Flagstaff, Wikieup, Nogales, Gila Bend, Tuba City, and Tuolumne in California. The last named was received through permission of the Department of Christian Education in San Francisco, where at present the Church School By Mail is in a state of reorganization. We have yet to contact districts in the eastern part of our Arizona Missionary District.

Much appreciation and thanks should be given to several fine helpers without whom the work never could have gone forward and started off as smoothly as it has done. These friends are Mrs. Charles Thew from Trinity Cathedral; Miss Dorothy Morse; Catherine and Barbara Barka, young people from St. Paul's Mission and Mrs. Ernest Moberg.

The services of the Director are voluntary this first year. Expenses for the work are being met through money ($150) transferred by the Woman's Auxiliary from another fund.

"Lovest Thou Me?" This searching question comes ringing down through the years and the Church listening, is becoming more sensitive to its meaning. "Yea, Lord. Thou knowest that I love Thee." Then "Feed my Lambs." Yes, the Church must go into the country. Many trials are being used. One is the piece of work we have undertaken this fall, "the rural delivery which carries Church School Lessons.

Already we have heard of the family of seven, none of whom are baptised. They live 57 miles from the nearest church. Such names with other data will be passed on to the Bishop or Clergy of the nearest church.

REPORT OF CHAPLAIN OF ST. LUKE'S IN THE DESERT

I herewith submit my sixteenth annual report as chaplain of St. Luke's in the Desert and pastor to the Health Seekers of Pima Co.

During the year 1944 I have celebrated the Holy Communion 215 times; I have read Morning Prayer in public twice, Evening Prayer once, administered 8 Baptisms, solemnized 7 Weddings, conducted 11 funerals, made 2517 calls and conducted the usual services at St. Luke's in the Desert.

At Cabot Chapel, Tucson, I have celebrated the Holy Communion 14 times.

At St. Andrew's, Tucson, I have celebrated the Holy Communion 7 times, read morning prayer once, preached 2 sermons and given one meditation.

At St. Phillip's in the Hills, Pima County, I have celebrated the Holy Communion 3 times, assisted at 12 celebrations of the Holy Communion, read Morning Prayer once and preached one sermon.

At St. Andrew's, Nogales, I have celebrated the Holy Communion 7 times and preached 7 sermons.

At the Summer School in Prescott I celebrated the Holy Communion once, read Evening Prayer once and gave two addresses.

I attended the Synod of the Eighth Province at Reno, Nevada, May 2 - 5.

The Services at St. Luke's in the Desert on Sunday mornings at 8 o'clock and Thursdays at 10 o'clock again this year have been open to the public and we intend to follow this custom at least as long as we have gas rationing.

My work has been along the same lines as in previous years: ministering to the boys of St. Luke's in the Desert, to those who live in Pima County but no longer live at the Sanatorium and to the sick and lonely people regardless of creed or lack of creed, where ever I am welcome.

It has been a pleasure as well as a happy duty to continue to be the channel through which the Church ministers not only to the souls of men but to their bodies as well, and to let the sick and lonely away from home and friends know that the Church is still interested in them and has sent a man to take the place of their local pastor while they are seeking health in Arizona.

I am very grateful to the Church Periodical Club for their continued interest in my work and for the magazines that they have sent me for my people.

Faithfully,
(s) C. E. Huntington

REPORT OF THE REGISTRAR

Your Registrar begs to report that during the past year he has received, and filed, such Journals of other Jurisdictions within the Church as have been sent to him for the use of the Missionary District of Arizona.

Also, he has received from Mrs. Stephen B. Ives four bound volumes from the library of her father, the late Rt. Rev. Julius W. Atwood, D.D., first Bishop of the Missionary District of Arizona after it was set apart from New Mexico as a separate Jurisdiction. These volumes are:

1. Journals of Convocation of the Missionary District of Arizona for the years 1911-18.
2. Journals of Convocation of the Missionary District of Arizona for the years 1919-26.
3. Annual reports of St. Luke's Home, 1909-26.
4. Arizona Church Record, 1911-25.

It will be observed that these four volumes cover the period of Bishop Atwood's Administration of this District.

Respectfully submitted,
(s) Charles A. Dowdell
Registrar.

REPORT OF THE HISTORIOGRAPHER

The office of Historiographer of the Missionary District of Arizona was created by Bishop Mitchell at the 49th Annual Convocation convening at Trinity Cathedral, Phoenix, in November, 1942. The first appointee was the Reverend Livingstone Porter, Ph.D., who held the title for two years. My appointment dates from the 51st Annual Convocation, convening at St. Luke's Church, Prescott, Oct., 1944. Whatever may have been done in this office does not appear to be a matter of record. For anyone interested in history and the recording of day-by-day history a good opportunity presents itself for him to exercise that interest for the benefit of his parish, or mission, and of the District as a whole.

Now the word "historiographer" is a beautiful word, resounding, musical, rhythmic. Once it settles into one's consciousness, no escape from its labyrinthine mazes seems possible. Somehow it suggests, also, a line from Watt's,- "Time, like an ever rolling stream" when the organist gives full rein to his organ, accenting the rythm with an authoritative use of the pedals, as he leads the congregation in singing this majestic hymn.

Whatever duties your historiographer may have are not prescribed by the Bishop, the Canons, or the Convocation. They are, then, inherent in the word itself and will gradually assume definition as personal interest in the subject manifests itself. Certain observations present themselves for our consideration and, at the conclusion of this reading, two resolutions are to be offered as a part of the report.

1. History is a-borning every day. Often the fact is over-

looked because of its nearness. In every congregation in this District events of historical interest are constantly occurring. These should be noted, collected, and preserved. They might very well be sent to the Historiographer. Parish registers are valuable sources of historical material. They should be meticulously kept. This Global War has brought out many a dusty parish register to assist those searching for vital statistics. Keep parish registers up to date, and complete. Local papers often carry items that would be of immense value to the historian, even if, at the moment, they seemed trivial. There might very well be a committee in each congregation to gather in pertinent facts and send them to this office where files could be maintained for each congregation. Thus the Archives would become a repository for historical material, something living and useful.

A few months ago the Vicar at Clifton requested from this office information about the founding and early history of St. Philips. He wanted this in order to prepare a short history of his Mission for use in Confirmation classes and for the information of his congregation,- a most commendable project indeed. Some years ago a devastating fire had destroyed the complete records of St. Philip's. This office was able to furnish the Vicar with only the scantiest information. Had information about that Mission been filed here it would have served a useful purpose.

2. The Annual Journal of Convocation and the Arizona Church Record continue to be valuable in providing run-of-the-day history. However, during the last fifteen years these publications have not carried as much information as formerly. The Bishop's annual address and Diary have not been included. The Address, summarizing events of the previous year as well as stating the aims to be attained; the Diary setting forth accomplishments,-these usually contain much for the historian. The Arizona Church Record has for many years now contained a preponderance of exhortation and "boiler-plate", useful, perhaps, in bringing outside information in, but serving very little in spreading news of what is happening within the District.

In examining the Arizona Church Record file in the early years of the District's history, one is impressed with the creative effort and consecrated point of view of those missionaries as they labored in this vineyard of the Lord. In this class must be included the Venerable J. Rockwood Jenkins, now in Holy Orders a full half-century. He has the unique distinction of association with four of Arizona's bishops. He was received by Bishop Kendrick, served throughout the episcopate of Bishop Atwood, and that of Bishop Mitchell; and now, under Bishop Kinsolving, he continues to travel over mountain trails and scale canyon walls to carry the Gospel to those in remote places.

3. The historian will note that this year closed the earthly car eer of Bishop Atwood, first Bishop of Arizona after it was set apart in 1911 as a separate jurisdiction. As founder of Trinity Cathedral, and at his request, his ashes were placed beneath the Cathedral Altar, the sepulture taking place at a Memorial Service, the officiants at which were Bishop Mitchell and the Reverend Messrs. Jenkins, Freeland, and Dowdell. Twenty years ago Bishop Brent in a personal letter wrote, "The Whole Church owes a debt of gratitude to Bishop Atwood."

Another event of historical interest was the retirement of Bishop Mitchell, his resignation having been accepted by the House of Bishops at its meeting in Birmingham, Alabama, in February, 1945. He was Consecrated on the Eve of the Epiphany, 1926, and during the years of his administration in this District gave unstintingly of himself and substance in selfless emulation of the master.

Closely connected with the retirement of Bishop Mitchell was the choice by the House of Bishops of the Reverend Arthur Barksdale Kinsolving, 2nd, D.D., as our Pastor Pastorum. His Consecration took place on May 29, 1945, in Calvary Church, Pittsburgh, Pa., coming to us while the Global War continued to rage in the Pacific, and now in these early days of the Reconstruction period, he is vigorously launched upon a career of waging a war for the Church of the Prince of Peace. May the historian of this epoch discover that all of us joined forces with the Bishop and went with him on this great adventure.

Respectfully submitted,
/s/ Charles A. Dowdell,
Historiographer.

GOOD SHEPHERD MISSION
January 1, 1945 - September 30, 1945
Report of Program

I. Church Services -

A regular schedule of weekly services has been maintained at Good Shepherd Chapel, Saw Mill Community House and Coal Mine Station.

Sunday School has been carried on at Good Shepherd Chapel and Saw Mill Community House. Sessions of vacation Church Schools were held at Good Shepherd Chapel, Saw Mill and Coal Mine.

Public Services	190
Baptisms	50
Confirmations	37
Funerals	11
Weddings	5
Children in attendance at Church Schools	184

Visits have been made to isolated church families at distant points on the reservation.

II. Field Expansion -

In January Good Shepherd Chapel congregation elected a Bishop's Committee and became an Organized Mission of the Missionary District of Arizona.

Sunday School at Window Rock opened under our Supervision in September.

Social Service work in field areas has greatly increased due to the growing acceptance of the Church's help by the Navajo People. Notably there has been closer cooperation between our Field Staff and the Navajo Medical Center. The Navajo Medical Service sends no doctors to visit in hogans and rarely brings persons needing care to the hospital. In view of the beliefs and taboos in the old Navajo culture, the Church's contribution to Indian welfare by explanation of medical care and by transportation of the sick to the hospital is very great.

Mr. George A. Stracke, layman from the Diocese of Michigan, joined the staff July 1st. He is a specialist in visual and adult education. Regular study has been carried on in the Church's teachings and in Navajo culture by the three laymen now serving on the staff of the Mission.

An ever increasing responsibility for the Church services in the Navajo language is being taken by Mr. Howard McKinley.

Miss Ella Davis, Miss Bertha Eckert and Miss Dora Snyder continued on the staff as Field Workers. Miss Snyder retired on July 1st, and Miss Li Luk Wa was appointed in her place to serve for two months. The contribution which this Chinese Christian educator made in international and interracial understanding cannot be estimated.

There are at present two unfilled appointments for women Field Workers on the staff of Good Shepherd Mission.

III. Child Care - The Good Shepherd Mission Home -

The oversight of the 41 children for whom the Church is guardian has continued throughout the year. Case records have been put in order. Follow-up of old students has been carried on by Miss Ella Davis, through letters and visits.

These 41 children spent the school year in Indian Service Schools and returned to Good Shepherd Home for four and a half summer months.

One child died in a tuberculosis Sanatorium during the summer period.

Eight boys and girls were boarded at the home by the Social Work Division of the United States Indian Service. This cooperation and our own experience during the past three years convinces us that there is great need of a year-round use of the Home for destitute and deserted Navajo Children of pre-school and primary ages, and an increase in the summer capacity for children of school age. Two children

were boarded at the Home by widowed mothers.

In April Good Shepherd Mission Home readmitted seven children who had been dismissed in 1942, and again assumed responsibility for them.

From these several sources a total of 57 children was in residence at the Home for all or part of the summer months. Four specialists in child-care joined the staff for the summer.

By the first of October 5 of the older boys and girls had been released from the direct care and financial responsibility of the Mission Home: two boys joined the army, two girls went to work, one girl entered Haskell Institute to train as a nurse's aid. Six high school boys are now working for their room, board and clothing at the Fort Wingate Vocational High School. Two children have been permanently placed in a State Hospital by the Navajo Service.

As of October 1st Good Shepherd Home is responsible for 34 children, all of whom are in government boarding schools for the coming school year. The cost to the Mission for these children will be $200 per year, a total of $6,800. This sum is raised annually through special gifts.

Buildings and Grounds -

Extensive repairs have been made on the main building (Thackara Hall), the staff residence and the chaplain's house.

A new diesel unit has been installed, assuring the Mission plant of uninterrupted power for heat, light and refrigeration.

Much has been done to improve and repair the steam and hot water lines.

The furnishings of the Mission buildings have been repaired and painted; this was done by the older boys when at the Home from Fort Wingate Vocational High School for short summer vacations.

Building at Saw Mill Community House has continued - about $1,000 worth of work remains to be done there; $500 of this sum is on hand.

REPORT OF THE COMMITTEE ON THE STATE OF THE CHURCH AND THE BISHOP'S ADDRESS

In the past year there have been fewer changes in clergy than usual; the number of men coming to the work in the District has been greater than the number leaving for other fields. Statistics show that there has been an increase in the number of Baptisms and Confirmations over the previous year. All parishes and missions have met their obligations for the work of the Church in the District, the nation and the world. There is indeed a spirit of optimism prevailing throughout the entire District.

The Bishop's address was a powerful challenge for each member of the Church to be worthy of the Church's apostolic heritage, manifesting that worthiness in spending every effort to accomplish the purpose for which the Church is commissioned. We recommend that this address be read to each congregation in the District, and that it also be printed in the Journal.

of the
WOMAN'S AUXILIARY IN THE MISSIONARY DISTRICT OF ARIZ.
AT THE 52nd ANNUAL CONVOCATION
HELD IN PHOENIX, ARIZONA, OCTOBER 9th, 10th, 11th, 1945

The first morning session of the Woman's Auxiliary was opened by the President, Mrs. Sam H. Morris, on Wednesday, October 10, 1945, at 9:30 A.M. in the Bishop Atwood House, Phoenix.

After the singing of a hymn, Mrs. Walter Dugan, Devotional Life Chairman, was in charge of the devotions. She was assisted by other members. In well chosen words she challenged the women to strive to obtain a deeper spiritual life.

Miss Paula Dean Averill, President of Trinity Auxiliary Guild, welcomed the delegates and Mrs. C H Bealer of the northern region responded in a most gracious manner.

ROLL CALL:

The proposed budget for 1945 was also presented at this time. An addition of $5.00 was made for use of the Chairman of Christian Social Relations.

Branches were again reminded to send all gifts through the District Treasurer. Gifts to the projects can be any amount the branches wish to give. Only contributions sent through the proper channels receive credit.

EPISCOPAL STUDENT CENTER AND CABOT CHAPEL - The Rev. George Ferguson described the work of the Student Center at the University at Tucson; how it had grown from the small house that Mrs. Fred McCormick had lent and that now was in a much larger house that she had placed at their services. There are two hundred and fifty Episcopal students at the University which number normally constitute a parish.

SUPPLY SECRETARY - The report of this Secretary was read in the absence of Mrs. Hansberger. Twelve branches contributed the amount of $170.00 to the supply work.

DEVOTIONAL LIFE CHAIRMAN - Mrs. Dugan gave her report. She urged that her department be put to greater use and that more prayer groups be formed.

UNITED THANK OFFERING CUSTODIAN - Mrs. Norwood reported for the spring and fall offerings for the past year $2,671.20. This spring the offering from Arizona for the first time was over $1,000.00.

EDUCATIONAL SECRETARY - Mrs. J. L. E. Lauderdale reported that all recommended courses had been given at the summer school. Miss May Coggins of the Baptist faith presented the Gospel of St. Mark as a guide for the study of similar books of the Bible. Her method was new and those that attended knew that a rare opportunity had been given them. Mrs. Wayland Brown ably conducted a course on the peace conference. She urged better study of the missions.

BAXTER MEMORIAL CHAIRMAN - In the absence of Mrs. Griswold her report was read. It was stated that the Los Angeles territory was being given the provincial money for preventive work. This money will rotate. Council of Church Women now send Braille Sunday School lessons to those that can read by this method. Greater interest was urged and donations will be welcomed.

At this point Miss Lucy Jenkins told of the John Milton Society publishing a condensation of the book compiled by her "In His Presence," as a part of their Rainbow Series. The District Auxiliary will finance this special project of putting this book in Braille as voted upon in an extraordinary session, July 12th.

Mrs. Landerdale made a recommendation that as so few blind did not read Braille that as the other sightless wished Sunday School material regularly that the Church School by Mail add these persons to their roll. This recommendation was put to the vote, passed and ordered.

CHRISTIAN SOCIAL RELATIONS - Mrs. Ethel Swisher made the following recommendations:

1. That we give whole hearted, intelligent co-operation to our presiding Bishop in making it possible to again send out our Missionaries to spread the gospel abroad.
2. That we urge all our members to continue their Christian Social Relations by volunteering their services as long as needed, to the Red Cross, U. S. O., Community Chests, Veterans assistance and such other groups as still need our aid.
3. That we acquire a greater knowledge of our provincial projects and develope an active interest and participation in them.
4. That we take an active part in promoting the advancement of the Indians to citizenship.
5. That the program for the aid and training of the blind in your locality be investigated and that we do all in our power to rapidly expand this greatly needed social work.

REPRESENTATIVE FOR YOUTH - Mrs. Walter Mitchell's report which was read stated that in spite of the call to armed services and the many other handicaps that the young people had gone forward as their vision had enlarged and their sights had been lifted

to bigger things. She strongly urged the women to find a place and a job for the young people in their local church. Nothing is more important than the youth of this land.

It was suggested from the floor that Mrs. Mitchell be sent a resolution of appreciation for her outstanding work in the auxiliary.

DISTRICT FELLOWSHIP - Mrs. Lane reported that fellowship was best displayed at the summer school. The practical effort of assisting in the dining room made a fine feeling of cooperation and friendliness.

CHURCH SCHOOL BY MAIL - In the absence of Deaconess Ward, Miss Dorothy Morse read her report. Twenty four pupils are enrolled. Eastern districts are yet not contacted. Assistance is urged in sending names of the isolated to this department.

Meeting adjourned for noon-day prayers.

Respectfully submitted,
Nancy E. Richards, Secretary.

AFTERNOON SESSION

The afternoon session of the Woman's Auxiliary was called to order at two o'clock. Mrs. Huntington had the meditation.

Mrs. Harry Hayes moved and the motion was seconded and carried that the reading of the minutes be set aside until the following morning.

Mrs. J L B Alexander, Chairman of the by-laws committee, reported that as there was a move on foot to change the Convocation to spring instead of fall, she recommended that the fiscal year which now coincides with the National Council's not to be changed. She asked that the committee be dismissed.

A motion by Miss Freeland that was seconded that the report be accepted and the committee be discharged with thanks for their work. Motion was carried and ordered.

REPORTS CONTINUED:

SAINT MARGARET'S HOUSE - In the absence of the acting chairman, Miss Anne Cady read the report. This is the only training home in the west for women church workers. Women were challenged

to find a girl among their own group that would become a church worker. They are in great demand. Gifts as small as tea towels are needed at the home.

ALTAR GUILD WORK - Mrs. Huntington reported most encouraging condition throughout the District. She asked for any usable linens that might be given that they might be the beginning of an altar supply department. Her desire is to have a well equipped altar in every parish and mission, cared for by well informed and reverent-minded altar guilds.

CHURCH PERIODICAL CLUB - Miss Freeland reported two outstanding needs.

1. Need of books and magazines at St. Luke's Home.
2. Clergy in the District cannot afford all the periodicals that they would like to have. Form the habit of passing on magazines and literature and do not wait until it is too old.

GOOD SHEPHERD MISSION - Mrs. David Clark prefaced her report by recommending several booklets on Indian conditions. She was assisted in her report by Misses Ella Davis and Bertha Eckert, both field workers. In word pictures they told of happy results of some of their patience and perserverance. Sanitation, health and economic problems have to be faced in caring for Indian children in their bleak and poverty stricken homes. There are funds available to employ two more field workers for this work. Mrs. Clark hoped that one would be appointed from Arizona.

The meeting adjourned to attend a joint session with Convocation.

Respectfully submitted,
Nancy E. Richards,
Secretary

The second morning session of the Woman's Auxiliary was opened at 9:30, October 11th by the President, Mrs. Sam H. Morris.

After the singing of a hymn, Mrs. Dugan led in Prayer. Mrs. Huntington again had the meditation.

Minutes of the previous day were read and approved after corrections and additions.

Mrs. Lauderdale spoke on the duties and responsibilities of educational secretaries. Program planning was discussed. She asked information be sent to Mrs. O'Hair that would aid in the annual national report in regard to the type of programs the branches had. Educational Secretaries are responsible for the

programs. Last minute preparation of programs was condemned and the women were urged again to do more studying. Copies of branches programs for the year were requested by the District Educational Secretary.

Mr. C Zaner Lesher, Chairman of the Board of Directors of the Episcopal Student Center, University of Arizona, has notified Mrs. Morris, the president, that she has been elected to serve on the Board of Directors for a period of two years.

them. The National Council is seeking five millions for this work. He urged us to have faith in the leaders of the church and to think in terms of national and international affairs. People must be universally minded and open hearted in this day. Arizona must spare her Bishop the handicap and embarrassment of having to go out and ask for money as he enters his new field of service.

A motion was then made with a rising vote that the Woman's Auxiliary would support and do everything in their power to assist the Bishop in carrying out his program of work.

After a closing prayer by Deaconess Ward, the Chair declared the meeting adjourned and we joined the members of Convocation for noon-day prayers in the Cathedral.

BUSINESS SESSION

February 6, 1946, at 9:30 A.M.

The Fifty-third Annual Convocation of the Protestant Episcopal Church in the Missionary District of Arizona was called to order with the Rt. Rev. Arthur Barksdale Kinsolving, 2nd, D.D., Bishop of the District, presiding.
Prayers were said by the Bishop

The Secretary called the roll of the clergy and the roll of the Parishes and Missions entitled to representation. A quorum being established, the Bishop declared the Fifty-Third Annual Convocation duly convened.

The Rev. Canon Charles A. Dowdell was unanimously re-elected Secretary. He reappointed the Rev. Walter Whichard, Assistant Secretary.

The Bishop announced his appointment of Mr. L. A. Kehr as Executive Secretary of the District. A motion was passed expressing the Convocation's unanimous approval of the appointment. The Bishop introduced Mr. Kehr to the Convocation.

The Bishop announced that all other appointments would remain as of the Fifty-second Annual Convocation with the exception of four appointments to offices left vacant by the death of the late Very Rev. Edwin S. Lane, D.D. These appointments were as follows: The Rev. E. L. Freeland, Board of Examining Chaplains; The Rev. Walter Whichard, Department of Publicity; The Rev. Chas. A. Dowdell, Council of Advice; and the Rev. O. Wallace Nickle, Committee on Radio.

The Secretary of the Fifty-Second Convocation read his report. An interim report by the Chairman of the Department of Publicity was received and approved.

At 10 o'clock there was a Joint Session with the Woman's Auxiliary for the Bishop's Annual Address and charge. At this time the Bishop welcomed the Rt. Rev. Eugene Cecil Seaman, D.D., Retired Bishop of North Texas, and the Rev. Canon Edward W. Averill, D.D., visitors at Convocation.

The Joint Session ended at 10:45. At 10:55 Convocation reconvened.

The Bishop announced that a majority of the clergy had expressed approval of the proposed District Seal. A resolution was introduced and passed expressing unanimous approval and acceptance of the Seal. The Bishop exhibited a copy of the Seal and explained that the motto of the State of Arizona, [illegible] would be added to the seal. For the heraldic description of the Seal see page 85

The following resolution was introduced by the Rev. E. O. Gallagher and was passed unanimously: "That this Convocation express to the Bishop its deep appreciation of his charge, so informative with matters relative to the District, suggestive with respect to plans and policies, and glowing with faith and enthusiasm."

The Chair announced that the action of the Fifty-second Convocation in electing deputies to General Convention and the Synod of the Province of the Pacific had been nullified by the change in date of this Convocation, because of the canonical requirement that these deputies be elected at the Convocation next preceding the General Convention and the Synod. (Canon XIII)

The Rev. F. T. Brown reported for the Committee on Nominations as follows:

The Chair called for Nominations from the floor. The following resolution was introduced and passed, "That nominations be closed and that the secretary be instructed to cast a ballot for the nominees named above." The Chair declared the elections complete.

There being no report from the Episcopal Student Center at the University of Arizona, the Bishop made a statement about the work being carried on there at the present time and expressed the hope that a resident clergyman might be secured to serve as chaplain there in the near future.

The Bishop announced that the Committee had met to discuss the Conferences to be held this June at the Arizona Church Conference Center and that plans were being made. The Bishop suggested that the unexpended balance left over from District Assessments in 1945 be applied to the outstanding bill for last summer's conferences; and that a charge be made for the ensuing Summer Conferences large enough to meet any part of this debt not covered by the above mentioned 1945 District Assessment Budget. A motion was made and passed unanimously accepting the Bishop's recommendation.

Noonday prayers were led by the Rev. David C. Trimble.

A motion was made and passed unanimously that the recommendation in the Bishop's annual address with regard to the Revolving Fund be accepted.

Note: For the Bishop's Address, see Addenda, Page 71

The report of the Rev. Walter Dugan, the Chairman of the Committee on Time and Place and Reorganization was approved unanimously. See page . A motion was introduced and passed accepting the invitation of Trinity Cathedral to the Fifty-fourth Convocation, which will meet in February, 1947.

The Rev. J. R. Jenkins, D.D., presented the report of the Committee on Resolutions.

The Secretary of Convocation was directed to send letters of greeting to the Rt. Rev. Walter Mitchell, D.D., and Mrs. Mitchell, the Retired Bishop of Arizona and his wife; the Rev. W. E. Cox, D.D., who led in the establishment of the Arizona Church Conference Center; the Rev. J. T. Knight, who is now in military service; the Rev. R. B. Pease, who is now serving in the Red Cross; the Rev. George L. Potter, who recently left Winslow; the Rev. E. T. Simpson, a non-resident Canon of Trinity Cathedral; and the Rev. W. F. Robey, former Executive Secretary of the District who has been recently ordained to the Diaconate.

The Secretary was directed to send letters of appreciation to Mr. Ben Ali Haggin, the artist who designed the District Seal, and to the Rt. Rev. Karl Morgan Block, D.D., LL.D., Bishop of California, for his stirring Convocation Sermon.

The following resolutions was passed unanimously:

"WHEREAS since our last Convocation the Very Rev. Edwin Selden Lane, D.D., has passed into Life Eternal and has given to us who are members of this Convocation, and of the District of Arizona, a sense of deep loss and of personal grief:

BE IT RESOLVED: That his memory calls forth from us a fitting expression of his character and influence:

Dean Lane was a citizen who ever exerted his efforts for the highest welfare of the Community; as a servant of the people he revealed broad sympathies, sound judgement, and effective leadership.

As a Churchman, he was a preacher of Truth and Righteousness who delivered a message pleasing, direct, clear-cut, and applicable to the daily lives and experiences of his people.

As a Teacher, he was of unusual ability, as he pictured the beauty and glory of the Holy Scriptures, and of the Church in her History and Worship, and ever expressed the Truth with fearlessness and sincerity. And in secular matters he made clear the passing of World Events with great faith and cheerful hopes for her future.

As a pastor, he was indeed a Shepherd of his Flock, as many grateful people will testify, and especially those who in sickness, or sorrow, or the difficulties of life, were strengthened and uplifted by his understanding, his sympathy, and his tenderness.

To the hosts of valiant men in the Service he was a constant friend and comrade, as his cheerful letters brought them new strength and courage, and as they realized how, day by day, they were remembered in the Church and in the homes of the people.

It is most fitting, therefore, that we should now submit the following resolutions:

"RESOLVED: That we extend to the family and more intimate friends of our Dean our sincere and heart-felt sympathy, and our assurance that he will be presented pure and without spot before his Lord.

RESOLVED also: That this Report be spread upon the minutes of this Convocation, and that copies be sent to Dean Lane's family, and to the Church Press, and to the Public Press."

The Rev. George E. Wharton offered the following resolutions:

"That this Fifty-third Convocation of the Missionary District

of Arizona, being an integral part of the Protestant Episcopal Church in these United States of America, go on record as favoring the uniting of the Protestant Episcopal Church in the United States of America and the Presbyterian Church of the United States of America to which our Church has made overtures." After a period of discussion a motion was made and passed that the resolution be tabled. A motion was made and passed that a committee be appointed to consider this matter and to make recommendations at the next Convocation.

The Chairman of the Committee on Canons submitted the following report:

"Your Committee on Canons, complying with the requirements of Canon XVI, Sec. 3, of the Canons of the Missionary District of Arizona, begs to submit the following report.

In accordance with the request of the Fifty-second Annual Convocation of the Missionary District of Arizona that the present two Missionary Departments be combined and in furtherance of a resolution duly submitted by the Department of Youth and College Work that this Department be divided, your Committee, with the Bishop concurring, recommends the amendment of Canon XV, Sec. 6, to harmonize with the following resolution:

Be it resolved that the Department of General Missions District Missions now numbered 1 and 2 be combined constituting Department 1 to be known as the Department of General and District Missions; and that the Department of Youth and College Work now numbered 4 be divided into two departments to be known respectively as the Department of Youth and numbered 3 and as the Department of College Work and numbered 4; also be it resolved that the present number of the Department of Christian Education be changed to Number 2."

At one o'clock the Convocation adjourned to the Bishop Atwood House for luncheon as the guests of Trinity Cathedral.

At two o'clock the Convocation re-convened in Joint Session with the Woman's Auxiliary for a discussion of the Reconstruction and Advance Fund, led by the Rev. George Ferguson, the Chairman of the Committee on Reconstruction and Advance, The Bishop, and Mrs. Sam Morris, President of the Woman's Auxiliary.

At 3:15, there being no further business, the Fifty-third Annual Convocation of the Missionary District of Arizona was declared adjourned with the Bishop's Blessing.

COMMITTEE ON TIME, PLACE AND REORGANIZATION

Our Recommendations are:

1. That Convocation be limited to one day.

2. That the address scheduled for the evening before Convocation be delivered during the luncheon hour of the day of Convocation.

3. That the reports of annual meetings, departments and committees, which are to be presented at Convocation or which have recommendations to be passed on by Convocation, shall be sent to the Bishop by Jan. 15.

4. That the Executive Council shall meet between then and Convocation to make an appraisal of these reports and out of them to outline a program of Convocation. This meeting should be held in time for the secretary to outline, print and send out a program with a printed agenda.

5. That the secretary of Convocation send a list of offices to be elected to the parishes and missions, who shall then make nominations by their vestries or bishop's committees either at their annual meetings or as the local church sees fit. From this list the nominating committee shall prepare a printed ballot to be ready for Convocation.

It was the feeling of this part of the committee that a similar program, adding a meeting of the Executive Council at Prescott during the summer conference, be made a permanent program of Convocation. In this way it would be possible to get our business men there for a one day meeting, whereas now they will not attend for the longer period. We have for a long time had the conviction that the Executive Council and the nominating committee should be made more effective. The above changes would doubtless be a step in that direction.

We suggest, further, that the Woman's Auxiliary organize their program likewise for a one day meeting. Their executive board meeting might easily be held at the same time as our Executive Council. This would help the transportation problem.

Faithfully yours,
/s/ Walter Dugan, Chairman

INTERIM REPORT OF THE DEPARTMENT OF PUBLICITY, FEBRUARY 1946

Since the last Convocation one issue of the Arizona Church Record has been published, and the Department is grateful to all who cooperated in providing news items of current happenings. Some suggestions have been made with a view to the increasing value and place of the Record, and it is hoped to use these to the best advantage. One suggestion has come from the members of the Brotherhood of St. Andrew

of Tucson, that they may take on the work of the Record as one of their projects. It may be stated that the Editor would welcome such cooperation and in consultation with several members of journalistic experience much good should result. At the present time the printing is done in Phoenix because of the economical cost, although it is felt that a nearer place to the editorial office would be an advantage. Enquiries are being made with regard to this matter.

In the meanwhile, your Department would respectfully urge the full cooperation of all Parishes and Missions. We want all your news, good, bad, or anything you have. In this way it is felt that the Record can be of vital interest in our District.

Respectfully submitted,
(s) John Atkinson,
Chairman .

St. Luke's in the Desert.
Tucson, Arizona
January 1, 1946

To the President and Board of Directors
St. Luke's in the Desert

Gentlemen:

I herewith submit my seventeenth annual report as chaplain of St. Luke's in the Desert and pastor to the Health Seekers of Pima County.

During the year 1945 I have celebrated the Holy Communion 224 times, administered 3 Baptisms, solemnized 3 weddings, conducted 11 funerals, made 2467 calls and conducted the usual services at St. Luke's in the Desert.

At Cabot Chapel I have celebrated the Holy Communion 16 times and assisted at one celebration of the Holy Communion.

At St. Phillips in the Hills I have celebrated the Holy Communion once and assisted at 5 celebrations of the Holy Communion.

At St. Andrew's, Tucson, I have celebrated the Holy Communion 4 times and preached 4 sermons.

At Grace Church I have celebrated the Holy Communion 7 times, assisted at one celebration of the Holy Communion, Baptized one infant and solemnized one wedding.

At the Summer School in Prescott I celebrated the Holy Communion once and assisted at one celebration of the Holy Communion.

I have conducted the usual services at St. Luke's in the Desert on Sunday, Tuesday and Thursday mornings. While these services are intended primarily for those resident on the grounds, persons who are unable to attend services at any of the parish churches are welcome.

My work has been along the same lines as in previous years; ministering to the boys of St. Luke's in the Desert, to those who live in Pima County but no longer live at the Sanitorium and to the sick and lonely people regardless of creed or lack of creek, where ever I am welcome.

It has been a pleasure as well as a happy duty to continue to be the channel through which the Church ministers not only to the souls of man but to their bodies as well, and to let the sick and lonely away from home and friends know that the Church is still interested in them, and has sent a man to take the place of their local pastor while they are seeking health in Arizona.

I am very grateful to the Church Periodical Club for their continued interest in my work and for the magazines that they have sent me for my people.

Faithfully,
/s/ C. E. Huntington

BISHOP'S ADDRESS - 53rd ANNUAL CONVOCATION
MISSIONARY DISTRICT OF ARIZONA
February 5-6, 1946.

Fellow-workers of the Missionary District of Arizona: -
May the Grace, Love and Fellowship of the Triune God be with you all.

We convene for the second time in less than four months. And in these vivid days we can well keep before us as our slogan for thought, hope and action the marching orders of our Divine Leader. For it was on the beloved Bethany road that He gave His farewell command to a forlornly small little group:

"And ye shall be witnesses unto me both in Jerusalem, and in Judea, and in Samaria, and to the uttermost parts of the earth." Acts 1:8.

This splendid command is sighted here with pride, humility and hope. For we have witnessed to Christ in Arizona, in the City and suburb, among people of several races and in the uttermost places. Humbly we can say we might have made a greater witness. Faithfully we can determine under God's guidance to make our future witness more.

During the past year the following Bishop has entered the larger life-- The Rt. Rev. H. P. Almon Abbott, D.D., Bishop of Lexington, in the State of Kentucky. Bishop Abbott was a gifted preacher in the several influential pulpits, notably in the Cities of Baltimore and Chicago. Called to a Diocese largely missionary, he saw the romance of finding the Master's Presence in the small struggling places where two or three are gathered together. He forsook much and followed Him to these places. May he go from strength to strength in the life of perfect service.

Our own loss in this District can only be a most poignant one to almost every delegate to this Convocation. We are the guests today in this Cathedral by the invitation of Edwin Selden Lane, for almost two decades the indefatigable Dean of the Cathedral, and Rector of this Congregation. So many of you have known him so long that any eulogy in this address would be clumsy by comparison with the spoken or written tributes that have come out of so many hearts; and the myriads of unknown expressions of appreciation and grief known only to God. His life has suggested many memorials. The first has already been built. It is a very real, but intangible, "Temple of Courage", built by his wife and family whom we hope never to forget. No man ever gave himself more unsparingly to his responsibilities. Few men possessed more richly the pastor's gift of Christian compassion.

The whole Church mourns the passing of a great layman, Bradford B. Locke, Executive Vice-President of The Church Pension

Fund. This brilliant Christian could sacramentalize a balance sheet, win vestries by firm but sympathetic statement of actuarial facts, and by patient apologetic synthesize the habit of paying pension premiums with our Lord's Command: "Take no thought for the morrow". His administrative ability seemed to be a blessed extension of the genius of Bishop Lawrence, who led the movement to bring the Pension Fund into being.

May we join a moment in prayer for this Bishop, our own Presbyter and Dean and this great Layman? LET US PRAY:

O God, whose mercies cannot be numbered, accept our prayers on behalf of the souls of the Servants departed, and grant them an entrance into the land of light and joy in fellowship with Thy saints; through Jesus Christ our Lord. Amen.

CLERICAL CHANGES: Since the last Convocation, the Rev. Hector Thompson has been appointed to The Morenci Field, to fill vacancy made by resignation of the Rev. O. Wallace Nickle.

The Rev. Francis T. Brown resigned as Rector of the Mother Church of Tucson, as of November the 1st. The whole District is in the debt of this gifted clergyman, who retired some years ago at the end of a vivid and varied career in the Church. He was called out of retirement to the Rectorship, as most of us know, at a difficult time of emergency, and made a most remarkable contribution to the life of that Parish from a spiritual, pastoral and administrative standpoint. We are happy, I know, to find him living in Phoenix, where he has expressed his willingness to give of himself and of his time to the further extension of Christ's Kingdom, wherever needed.

We welcome to Grace Church, Tucson, and to this--his first Convocation in this Missionary District--the Rev. Jerry Wallace, who was called by the Vestry to succeed the Rev. Mr. Brown. Mr. Wallace comes to us after twenty-five years of service in a parish in Springfield, the Capitol of the State of Illinois. He has been a pastor and preacher of distinction, a servant of his Diocese on many Committees, and a civic parson, eulogized by the Governor of his State for the contribution that he has made. May he find here the same inspiring adventure to challenge his gifted leadership.

By authority of the Institutes of the Cathedral the Bishop and Vestry called the Rev. William Otto to become Acting Dean for the period of six months while considering the selection of a permanent successor to the late Dean Edwin S. Lane, D.D. All concerned are particularly happy over the Rev. Mr. Otto's acceptance of this responsibility, and of the devoted way in which he is carrying out the responsibilities of this large work.

Only recently the Rev. George L. Potter, Minister-in-charge of St. Paul's Mission, Winslow, has been compelled to resign on account of his health. This clergyman has borne great suffering

through a sinus infection and has only resigned after remaining at his post against medical advice for a long period of time. Later in this report evidence of Mr. Potter's achievement in that congregation will show what he accomplished with many difficult handicaps. It is a personal as well as official joy to announce that the Rev. O. Wallace Nickle, on leave of absence for six months to the Diocese of Los Angeles, has accepted the Bishop's appointment to be Minister-in-charge to succeed the Rev. Mr. Potter. He is present today with his family, on the way to Winslow. The Rev. Mr. Nickle is no stranger. We are particularly happy that he has not been lost to another field, because we know of the singular contribution that he has already made in other parts of this State.

It is realized that this Address must cover an interim of unusually short duration. Therefore reference herewith to various activities of the District will be as brief as possible. But the brevity thereof does not minimize the importance of each one.

THE INDIAN WORK AMONG THE HAVASUPAI continues to be supervised by the Rev. Arthur Pedersen, Minister-in-Charge of the Mission at Williams, who has been able to make contact with a number of these people who have been employed by the Grand Canyon Park Commission, where he has frequently visited them. Also this work has received the constant advice and interest of our beloved retired Archdeacon, Rockwood Jenkins. And Mr. Jim Crook continues his interest as a Lay Evangelist and we hope will again attend the Training School situated in this city.

The Good Shepherd Mission at Ft. Defiance continues its heroic struggle under the leadership of the Rev. David Clark. The Secretary for Home Missions of the National Council had a meeting in Gallup with many Indian workers in attendance. The National Council is committed to a policy of emphasis on evangelization and gradual reduction of institutional work. Changes must be contemplated, therefore, in line with this policy. The Good Shepherd Mission and our work generally among the Indians continues to be a great Christian challenge and it is believed that the National Council, and certainly this district would never wish to relinquish this work to make Christ known to these "first families of America."

THE MEXICAN EPISCOPAL MISSIONS IN PHOENIX. A rather pre-emptory rebuke was received from the National Council because a house was being paid for in a manner inconsistent with existing regulations and canons. After the error was acknowledged humbly and assurance was given that every effort would be made to regularize the procedure, the National Council generously did this for the District by sending the entire remaining payment for the house, which gives us clear title to the residence now occupied by the Rev. Edward Weckwerth.

The Arizona Church Conference Center has every date filled for the ensuing summer months. The dates of our own Conferences should be remembered, as follows: The Youth Conference June 17th to 24th; the Adult Conference June 24th to July 5th. It is still a matter of embarrassment that the Missionary District of Arizona owes the Arizona Church Conference Center seven hundred dollars in back rental for the Conferences of last summer. It should be remembered that the Arizona Church Conference Center is a separate institution for whose future indebtedness the District could not be held responsible. It is understood that a Committee is arrang- to meet this obligation. It is also understood that a certain balance from District Funds may be used, to help absorb some of this obligation. But this Convocation is urged to make proper adjustment. And we urge most strongly the most loyal effort in connection with our Conferences for this coming summer. They will be a tremendous help to the great program that stretches before us in the future of the Church in Arizona.

The Arizona Church Record continues its contribution under the leadership of the Rev. John Atkinson of Nogales. A most interesting offer has been received from the St. Andrew's Brotherhood of Tucson to sponsor, direct and guide the destinies of this District periodical. The request comes with the significant offer that no names be used on the masthead except that of the Tucson Branch of the Brotherhood. Although no official action has been taken, certainly such an offer can only be appreciated by all concerned.

The Arizona Health League, as you know, is the parent organization that seeks to gather under its wings some of those who come to this State in desperate need for tubercular care. What a challenge to any Christian person, who remembers that the Founder of our blessed religion, first ministered to the sick. This organization ought to be strengthened in every way. St. Luke's-in-the-Desert, Tucson, continues its excellent and efficient ministrations with the beneficent saintly chaplaincy of the Rev. and Mrs. C. E. Huntington. St. Luke's Home, Phoenix, has been through a most critical period, but due to courage, energy, generosity and sacrificial devotion the Board now feels that it has turned the corner. During the past four months members of the Board and other laymen have gone out and raised no less than $15,000. for this enterprise, while a former patient, Mr. Carroll Phelps, has contributed an unforgettable amount of leadership in the interim as Acting Superintendent. We bespeak your thoughts, prayers and contributions. It must be helped. We do see a great expanding need for tubercular care in this State. We hope the Church and its members will be found fighting in the front of this terrific, but wonderful, battle against a great scourge of humanity.

The Episcopal Student Center at the University of Arizona in Tucson, with the Cabot Memorial Chapel as the center of its spiritual life, presents a most moving challenge at the moment. The Services have been conducted in the Cabot Chapel by the

Clergy of Tucson on an interim basis, with Miss Kit Carson as a part time Hostess, the enterprise continues to be greatly aided by the generous action of Mrs. Fred McCormick in lending the building for such a purpose. The Church Society for College Work has agreed to help to the extent of $1,000 a year for possibly three years, towards the salary of a clergyman. The establishment of permanent work in this vitally strategic point in the District's future life demands a resident clergyman who can give his entire time to this work during the academic session. It is hardly fair to ask a man to come to that work for a salary under $1800. a year. It is hoped that this Convocation will reassure the Committee sponsoring the Episcopal Student Center of the support of the whole District of this work. Please remember it is in an academic community. Few College Professors are paid larger salaries than our clergy. It must begin as a missionary undertaking and be helped on all sides. It will take some years to realize dividends. Let us have the faith, the courage and the patience to make this much-needed spiritual investment.

District Seal. In accordance with the resolution of the last Convocation, a District Seal has been painted by a generous artist and photostatic copies of the same furnished to every Minister and Mission in the District. A great number of clergy and their Vestries and Committees have approved, and we are grateful for other criticisms that have been offered. They have been earnest and sincere; many can be explained and answered. It is not the time nor place in this Address to go into details. Suffice it to say, that it is believed that a bishop has a right to a private seal or crest of his own. But somehow this seems to have in it elements of feudalism and prelacy. It is hoped that the seal may be adopted by the District, with the realization that no heraldry can be perfect. Whatever is done, I do wish to register our deep appreciation for the generous work on this seal done by Mr. Ben Ali Haggin, a remarkable artist, and also for a tentative seal submitted by Mr. Robert Bancroft of Tucson.

The Executive Secretary. It is announced herewith, in accordance with the resolution passed at the last Convocation, the nomination of Mr. L. A. Kehr as Executive Secretary of the Missionary District of Arizona. It is understood that this nomination must be approved by the Convocation. Many of you know Mr. Kehr as a Churchman, resident of Phoenix and almost a native son of this blessed State. He came here as a boy and has served in many of the greater corporations of the State with his ability as an accountant. He has accomplished a great deal of work for the Church and knows its bookkeeping as does no one else. Suffering recently from a major operation and convalescence, it was a great joy to have him recover and he has been giving his services to bringing the books up to date since the first of January for the necessary reports. Subject to the approval herewith requested, we look forward to a happy association and many developments in the headquarters of the District if Mr. Kehr's gifts are to be used.

It is purposed to publish for the information and guidance of all concerned a complete breakdown of the Funds appropriated by the National Council to this Missionary District. This will be done in the Arizona Church Record, and also I may beg the good offices of that splendid paper, "The Trinity Cathedral Bulletin", to help to give everyone in the District the realization of what help we receive from the National Council, how it is distributed, and just what our objectives should be in the future towards the final absorption of this amount, by God's help.

Assessment & Quota. Nothing should give us more pride than the fact that our Assessment is overpaid $5.00. This is due to a a contribution from a congregation in Oatman, which is ministered to by the Rev. Mr. Witt. A contribution was made with the express stipulation that $10.00 should go to the Quota and $5.00 to the Assessment. There was no Assessment on the congregation of Oatman; all other Assessments were paid. It is believed that this is a condition seldom before paralleled in the history of the Church. May God bless you all for this, and the people of Oatman particularly. It is source of further pride that the Quota has been overpaid $898.90. Certainly these two records of the year 1945 ought to give us courage and inspiration for the year 1946 and its many challenges. It has been a pleasure to write Bishop Mitchell for his main share in this happy condition.

And now may I speak of an old, old friend of the District, known to Clergy, Councils of Advice, Vestrymen and many others as THE REVOLVING FUND. Please believe that the new Administration has sought to give this Revolving Fund the most earnest and serious consideration. It has been the subject of conversations with Vestries, Bishop's Committees, members of the Woman's Auxiliary, and seems to be still revolving at a rapid rate in the minds of many people. It has been suggested to cancel the whole Fund. But what of those who have made returns to the Fund? It has been suggested that if the indebtedness to this Fund be continued, it will hamper many Missions for years and years to come.

The Fund is under the discretion of the Bishop. Therefore he suggests a solution. There is about $3,000.00 in this Fund. Let us turn $3,000.00 of the amount over to Reconstruction & Advance, crediting those churches and missions with a proportionate amount of what they have returned to the Fund. For those Missions and Parishes who owe the Revolving Fund, let every cent you raise for Reconstruction & Advance count against your indebtedness. If this District raises its full objective of $25,000, let us forget all the debts on the Revolving Fund and let us advance with the faith that in the future we can rebuild a Fund and an Endowment for this District.

It should be noted by everyone that after the most careful analysis the authorities of the Church Pension Fund, which has been so splendidly administered, has been compelled by actuarial figures to raise the Pension Premiums to 10%, as of January 1, 1947. We can all imagine with what reluctance this was done, but no one can fail to realize the value of this system of protection for the clergy and their widows and children. So let us prepare to meet this situation in 1947.

May I beg the clergy to use the utmost care with regard to transportation? I know your extreme difficulties with the venerable automobiles that resemble the "one-horse shay". May I remind you that this is one of the few Districts where any appropriation is made for automobiles? Unused salaries appropriated for Missions that are vacant can be used for travel. There will be almost no vacancies in the District in 1946.

Reconstruction & Advance Fund. It is desired to announce that this Fund has already begun. Previously we have referred to the resignation of the Rev. Mr. George L. Potter because of health. This congregation has already made payments on their Quota and Assessment for 1946; and in addition to this they have sent in extra, three times the amount of their Quota, as contribution to the Reconstruction & Advance Fund. It is hoped that the members of this Convocation will assure the representatives of St. Paul's, Winslow, of our deep appreciation of this splendid beginning and tell them what we think of them. And also I hope that Congregation will send an assurance after Mr. Potter that he has left a splendid farewell in his congregation and in the District. It is hoped that this Fund will receive the utmost devotion and sacrificial giving on every side. Announced during the change of Administration in this District, it has suffered in preparation, which will cause some delay. The details will be discussed in the Joint Session under the leadership of the chairman of our District Committee. But we need every devoted sacrifice that can be made to meet our challenging objective of $25,000. Could we seek for a higher ideal than to let our giving be measured by the Sacrifice on which our religion was founded?

Many have heard the story of this Fund, begun as an effort to reconstruct the completely ruined Church edifaces in the Philippines and in China. It has grown even further, to continue the support of our Chaplains in the remaining members of the Service Forces. And, finally, the Church's conscience has been aroused to the desperate needs of the suffering in Europe. Originally set at five million, it now has an objective of eight million, five hundred thousand! You say this is terriffic? But do not forget that our Presbyterian and Methodist brethern have raised their funds of twenty-nine and thirty millions respectively. Let us remember that we Americans never wanted war, but when it was forced upon us we utilized our genius to organize the most

sublime machinery for destruction that the world has ever known. Now can America use her genius to rebuild? The first step of any reconstruction, must be moral. And moral reconstruction always begins with the Church--or ought to. It is believed that we find it impossible to sit here in the comfortable blessings of this protected Country, (protected by the courage of our youth, our defenders, and the Grace of God). We can't sit here and enjoy these comforts, without giving everything we can to alleviate the misery of the rest of the world. Truly it can be repeated over and over again, that courage has given us victory. And it is only compassion that will win the Peace.

In closing, may I give you just a breathless momentary vision for the future, in which I ask you to glance down the vista of some eleven years. This is Reconstruction and Advance. Let us give the whole of the year 1946 in devotion to a Fund which will be used entirely outside ourselves. With that as a stimulus and inspiration, I then ask you to try to reduce the appropriation from the National Council each year for the following ten years at least 10%, so that within a little more than a decade it might be possible to call this blessed area of our Church, the Diocese of Arizona. Greatest of all, we might in our turn share in generous gifts for the extension of Christ's Kingdom to some far-flung uttermost territory where the Gospel of Christ may be truly preached and truly reveald because of the sacrificial giving of our Christian children and our children's children. Yes, let us, in this Missionary District, rise up and build, for the world of humanity, for America, and for the years that lie ahead in this God enriched, sun-drenched area.

A SUMMARY OF THE
MINUTES OF THE ANNUAL MEETING
OF THE
WOMAN'S AUXILIARY IN THE MISSIONARY DISTRICT OF ARIZ.
AT THE
53RD ANNUAL CONVOCATION
HELD IN PHOENIX, ARIZONA, FEB. 6, 1946

According to Article 5 of the Constitution, The District Executive Board met prior to the annual meeting.

The opening session of the 53rd annual meeting of The Woman's Auxiliary of the Missionary District of Arizona, convened at 9:30 o'clock on the morning of February 6th, 1946, in the Bishop Atwood House in Phoenix, Arizona, with Mrs. Sam H. Morris, the President, presiding.

Mrs. Walter Dugan, Devotional Life Chairman, conducted the Devotions. She compared the power of the silence to the power of a vacuum and said that true humility was willingness to serve. It was necessary to make room for God to work. She asked which should be choosen as a standard, the 103Rd or the 51st Psalm? Mrs. William Lucas sang "The Lord's Prayer", by Mallotte.

The welcome was given by Mrs. R. D. Richards, president of Trinity Auxiliary Guild, and Mrs. C. E. Huntington of Tucson responded.

PRESIDENT'S REPORT.

Mrs. Morris reported a trip to Winslow where she spoke at an Auxiliary Meeting. She stopped at Williams on her return for an informal meeting with the President of the Williams Auxiliary. In November she went to Berkeley, California, to attend a meeting of the Commission of the Christian Faith. She also has trips scheduled for Tucson, Yuma and the Clifton-Morenci Area.

ROLL CALL

The roll call was omitted to save time. The minutes of the last meeting were read and approved.

DIRECTORS

Mrs. Morris asked the group's consideration of the value of regional directors as the central region had not elected a director and the directors from the northern and southern regions were absent. It was decided that improved travel conditions might warrant further trial.

REPORTS

Corresponding Secretary:

In the absence of Mrs. Enders, Mrs. Morris reported satisfactory continuance of all auxiliary work during the past three months.

Treasurer:

Mrs. C. H. Alden read the treasurer's report which showed additional receipt of $14. No disbursements from general fund. She submitted the proposed budget, accepted in October, 1945, and it was re-affirmed. Mrs. Lauderdale called attention to the fact that last year's budget was not met because of the failure of nine branches to meet their allotment. This deficit was made up by gifts from individuals. She further urged the women to carry this message home and impress upon their members the fact, that no project money can be used to meet the necessary running expense of the District Auxiliary. Allotments must be paid.

United Thank Offering:

This report was sent in by Mrs. Schultheis of Flagstaff. Eighteen branches totaled a fall ingathering of $885.48. The spring ingathering was over $1000. A message of greeting was sent to Mrs. Schultheis.

Devotional Life:

Mrs. Dugan's report included some thought provoking questions as to the effectiveness of our Devotional Periods. She called attention to a fine display of books on sale or on order, which she commended for use.

Educational Secretary:

Mrs. O'Hair reported having sent letters to all the presidents of the branches inclosing some program material and suggestions, as well as a program questionnaire; only eleven replies were received. She requested copies of this year's programs if they were available. She also read a letter from Mrs. Batte, the representative to the National Executive Board for the Province of the Pacific.

St. Margaret's House:

Mrs. Wotherspoon urged gifts for St. Margaret's House and reminded us that it is the only training school for women workers, west of the Mississippi.

Baxter Memorial:

Mrs. Griswold's resignation, because of illness, was accepted with regret.

Altar Guild:

Mrs. Huntington reported that since last October, Altar Guilds had been reported at Winslow, Morenci, Clifton, Safford and a Chancel Guild of women from Grace Church, Tucson, who are to sponsor the Bessie Edgar Guild. Donations have continued and progress was made in all the work. Mrs. Huntington has talked at the Altar Guilds in Nogales and Grace Church.

Church Periodical Club:

Miss Freeland's report, read by Mrs. O'Hair, said seven magazines were being forwarded regularly at the present time. She urged branch presidents to explain the project more fully so there would be a greater response. She also stresses the need of books.

Student Center-Cabot Chapel:

St. Margaret's Guild of Grace Church, Tucson has made this their special project. Miss Kit Carson who lives at the center but teaches school, is relieved of some of the housekeeping burden by the students. Tucson clergy continue to hold the services but there is an urgent need for a student pastor.

Church School By Mail:

Deaconess Ward illustrated with a map, the places now reached by this department. Thirty-eight pupils are enrolled at present. It was evident that the northwest and southwest portions of the state are not contacted and she asked for help. She suggested that plans be made to increase allotment for this work as soon as possible; so that a part time worker's salary might be taken care of. Following Deaconess Ward's report, Mrs. Newcomer explained that the money so far available was a gift from delegates not using travel funds and that this could not and should not be expected to continue. The department of Christian Education had asked the Woman's Auxiliary to assume the entire financing of this project. A discussion followed and it was decided that the project would have broader scope if the entire district, including Church Schools were acquainted with the work and asked to share its support. A motion was made by Mrs. Gordon of Yuma and seconded by Miss Jenkins of Phoenix, that a sum of money be decided upon by the Finance Committee and placed on the budget and to be paid at their discretion.

Special Project:

Braille Edition of "In His Presence"

Miss Lucy Jenkins reported that because of paper shortages, the selections from "In His Presence" transcribed in Braille, would not be available

until March. A free copy will be sent to every blind person in Arizona whose address is known and to all braille readers on the lists of The John Milton Society, including blinded War Veterans. "Ink-print" copies will be available at a probable price of 25¢. Miss Jenkins asked if the possible remaining fund might be kept for the future transcribing of a book suitable for blind children. This was left to the discretion of the Executive Board.

Summer Conference:

Mrs. Newcomer, as a member of the District Conference Committee, reported their request that the Women's Auxiliary Sponsor Camp Cady and appoint a Dean of Women for the Adult Conference. After discussion, it was moved by Mrs. Wotherspoon and seconded by Mrs. Lauderdale, that we acquiese to this request and the Executive Committee carry out the details.

National Officers:

Mrs. Morris explained the request from the National Executive Board for Nominations for women members of the National Council and members at large for the National Executive Board.

Mrs. Richards reported that a meeting of delegates of the Central Region was held at noon and that Mrs. Francis T. Brown of Phoenix was elected director.

Election of Officers:

The nominating committee reported the following nominations.

Vice-President-Mrs. John R. Newcomer, Phoenix.
Recording Secretary- Mrs. R. D. Richards, Phoenix.
Supply Secretary-Mrs. I. R. Rosok, Bisbee
Devotional Life Chairman- Mrs. Walter Dugan, Tucson.

It was moved by Mrs. Wotherspoon and seconded by Mrs. Wharton that these nominees be unanimously elected and the Secretary cast the Ballot.

Credentials:

Mrs. Martin reported an attendance of 64 women, 14 officers, 28 delegates, 3 committee chairmen and 18 visitors.

Resolutions:

The Resolutions Committee presented the following resolutions:

1. Whereas, the Woman's Auxiliary of The Missionary District of Arizona, being inspired by the Presentation of the Living Church's Reconstruction and Advance program set forth by Bishop Kinsolving in his Address to Convocation; therefore, be it resolved, that the Woman's Auxiliary respond by pledging its full support to this program.
2. Whereas, the Woman's Auxiliary has lost, in passing into his eternal rest, of the Very Reverend Edwin Seldon Lane, D.D. A very spiritual and practical leader who was ever ready to assist the Woman's Auxiliary with wise counsel, and whose comfort to the sorrowing and troubled individual flowed freely,

and whose passing is deeply felt by all in the district; now therefore, be it resolved that we, the members of The Woman's Auxiliary of The Missionary District of Arizona, express our deep appreciation and thankfulness for having had the guidance and direction of so fine a spiritual adviser for so many years, and our deep sorrow over his passing. Of Him, it is truly said; "They are not dead who live in hearts they leave behind. In those whom they have blessed they live again, and shall live through the years of eternal life and grow each day more beautiful as time declares their good, forgets the rest and proves their immortality."

Be it resolved that this resolution be spread upon the minutes and a copy transmitted to Mrs. Lane.

3. Whereas, God, in his infinite wisdom, has removed from our midst, Mrs. Florence Motz, the wife of one of the District's most valued and faithful laymen, Mr. Ralph Motz of Bisbee, who passed into her eternal rest on the eighteenth day of January, nineteen hundred and fourty-five; and

Whereas, Mrs. Motz for many years, prior to physical disability, took an active part in the work of the District Woman's Auxiliary, and served as its secretary; and

Whereas, after becoming an invalid, she has followed the work in spirit, and by her attendance at every convocation until last fall, has given a living example that "They serve who only stand and wait" and

Whereas, we are richer for having known so brave and patient a soul; now, therefore, be it resolved by the District Branch Woman's Auxiliary of Arizona, that we hereby express our deep appreciation of having had with us for so many years such a brave and patient soul whose example of cheerfulness under affliction, we all would do well to emulate; and

Be it resolved, that we express to her bereaved family our deepest sympathy in their loss; and

Resolved that this resolution be spread upon the minutes of this organization, and that a copy be transmitted to Mr. Motz.

4. Whereas, for many years, the work amongst the blind of the district, has had the efficient and sympathetic leadership of Mrs. H. F. Griswold; and

Whereas, Mrs. Griswold is resigning from this work due to physical handicap;

Now, therefore, be it resolved that The Woman's Auxiliary of The Missionary District of Arizona, expresses its gratitude to Mrs. Griswold, for her many years of service in this work, our regret that she must now give it up, and our well wishes for her speedy and complete recovery.

Resolves that this resolution be spread upon the minutes and a copy transmitted to Mrs. Griswold.

5. Whereas, sorrow has come to Miss May Coggins, missionary in Iloilo, Phillipine Islands, in the passing from this life of her mother; and

Whereas, Miss Coggins most generously and without any compensation, taught and "opened" the book of Mark to the Women of this Missionary District at the church conference in Prescott last summer;

Therefore, be it resolved, that the Woman's Auxiliary of the Missionary District of Arizona, express its sympathy and comfort to Miss Coggins in her loss.

Be it resolved that this resolution be spread upon the minutes and a copy transmitted to Miss Coggins.

6. Resolved that we express our thanks to all those who have made possible this convocation and who have contributed to our spiritual and physical well-being, particularly Bishop Block, to Bishop Kinsolving, to Trinity Auxiliary Guild, to St. Andrew's Woman's Auxiliary and to Bishop and Mrs. Kinsolving for opening their home for tea.

Respectfully
Miss Bertha Eckert of Good Shepherd
Mrs. Bancroft Smith of Yuma
Mrs. James H. Gordon of Yuma
Mrs. E. O. Gallagher of Globe
Mrs. J. L. B. Alexander of Phoenix
Committee

It was moved and seconded that this report be accepted.

Bishop Kinsolving came in for a few minutes and was asked by the president to speak to those assembled. He responded with words of encouragement and inspiration.

Mrs. Morris then asked that a committee, composed of Mrs. Newcomer, Mrs. Lauderdale and Mrs. O'Hair, be empowered to correct the minutes. This request was granted.

Mrs. Brown then asked for a rising vote of appreciation for the gracious and able leadership of the president which was manifested in the pleasant and efficient management of the one day session.

The meeting stood adjourned after a closing prayer by Mrs. Dugan.

CHURCH SCHOOL BY MAIL
REPORT TO WOMAN'S AUXILIARY

38 children enrolled since the work began-which was September 15, 1945. Four children withdrew because their families moved into towns where they could attend church school regularly.

Fifteen rural areas are represented on the map. There should be more. The fields in the eastern and western part of the state are still to be heard from.

Letters have been written to all the clergy and most of them have sent names. Of the 34 children enrolled, from the 20 homes as marked on the map; sixteen have been referred by clergy; three by individuals in Phoenix, and one, through a letter of inquiry after a mother had learned the church school by mail was active in Arizona.

Since October first, the children have sent in donations of money amounting to $19.80. This included Thanksgiving, Christmas and Birthday offerings.

Through the kindness of the Rev. Joseph Gregori and the Y.P.F. at St. Pauls in Phoenix, gifts were sent to all the boys and girls on the list.

As stronger ties are made the children write letters about themselves and their home life. They also ask questions about the lessons and the work.

It is earnestly hoped that the church school by mail may continue to grow stronger and more friends rise up who will be interested and spread the news abroad.

A fine committee, consisting of Mrs. Charles Thew, Mr. and Mrs. Ernest Moberg, Miss Dorothy Morse and Mrs. Gene Eccles, offer assistance from time to time in the church school by mail office, and to them, we give grateful thanks.

The surface has only been skimmed in Arizona and the field is white with harvest. We cannot afford to let the work drop now, for the children of the country-side are looking to the church for this teaching and help. What will our answer be this new year to these boys and girls?

Yours in Christ's Service

Mary Frances Ward

Deaconess-Director C.S.M.
